

**Some Class Leaders are having problems contacting members. The telephone numbers they have are incorrect. If your telephone number, email or mailing address has changed since the last church directory was published in 2014, please contact your class leader as well as the Church Secretary to give them you most up to date information.**

### Class Leader's Groups

Congregation, please be aware that all St. Paul AME Church members and regularly attending non-members have been assigned a Class Leader. As Leaders, we have begun the process of contacting our group members to share the purpose and plans for our renewed Class Leader Project. However, we do not have accurate phone numbers for some of you. If you have not yet been contacted by your Class Leader, see the listing below to identify your Leader. Then, please assist us by contacting your Class Leader while at church and give him/her your current contact information, i.e., phone number(s), email address and mailing address. We sincerely want to make this initial contact with our group members. Also, we will need to be able to efficiently contact you in the future to carry out our program plans. We thank you sincerely for helping us to move forward with this renewed church effort.
