### HABITAT FOR HUMANITY 2019 NEW HOME BUILD

Thank you for your continued support to Habitat for Humanity of Orange County (HHOC), as we make homeownership a reality for families, seniors, and others in our community that need affordable and safe housing. This year's new home build is at Crescent Magnolia in Hillsborough with townhomes for seniors in our community. We invite you to help us create an AMEC build team to work a Saturday morning shift on May 11. If you can't do the physical tasks on the build site or under the age of 16? Opportunities to provide lunch or volunteer in other ways are available for everyone! Contact Linda Bynum 919-933-0171 for additional information and further details.

Again, thanks so much for your continued prayers and support to our Interfaith and HHOC partnership and ministry. Your help is making a difference!

St. Paul has a new official church website. The address is [www.stpaulamech.org](http://www.stpaulamech.org).
