Greetings,

Board Members for Empowering Excellence thru Exploration Camp (E3 Camp) are planning for our 3 week - free camp that will be held July 11th to the 29th. Our mission is to provide middle and high school African-American students with hands-on activities, educational field trips and opportunities, and career skills in the Arts and STEM fields, necessary to be productive citizens in the 21st century workforce.

July 2021 - E3 Camp served 23 students meeting at Glenwood Elementary School, Chapel Hill. Students were engaged in numerous activities such as building airplanes, robots and solar cars. Field trips were taken to Durham Life and Science Museum, Tour of Historic Shagville Plantation, and Mason Farm Water Treatment Plant. We were able to have 32 professional experts visit the students, representing such fields as aviation, coding, civic rights history, fire technology, and forensic science to name just a few.

On November 17th, 2021 E3 Camp completed the necessary state paperwork to become a non profit organization. This July our camp will endeavor its 5th year of providing services that has affected 50 youth of Chatham, Durham, Lee, Orange, Wake and other countries.

E3 Camp Board of Directors hope that you will be inspired to make a **donation** to this worthwhile cause that gives African-American middle and high school students opportunities for the Art and STEM fields, which is greatly underrepresented by minorities.
